

Domestic Shooting Victim Dies

Julie Cordts, 47, was found unconscious and seriously wounded on the floor of a bedroom in her home September 8, 2009. The body of 50 year old Lyle Cordts, her husband, was found on the bed. Investigators believe Lyle Cordts killed himself after shooting Julie Cordts once in the head with a handgun. Julie Cordts died September 17, 2009. The investigation is ongoing.

Julie loved ripping out walls, redoing her house, decorating and painting. She was musically talented and in years past sang and played piano at several weddings. Her children were the most important part of her life. She loved them dearly. She will be sorely missed by so many who loved her.
